Finally an espresso that is so satisfyingly rich and hearty it feels like a champion just arrived. At the flavor's center stage features impressive body with natural notes of a hearty earthy character sporting a strength of molasses, aromatic tobacco nuances while underlying base notes are nutty, cocoa nibs, creating the perfect canvas for pairing with your espresso drink taste creations. Espresso Roast level will build out the full intensity of this blend and this coffee's overall cup character is best for those desiring a stronger coffee taste in their espresso drinks. Ignite the champion within yourself with this espresso. Start the day strong or use as needed anytime you feel the need for a champion's touch.
