nutty | chocolate | brown sugar

For a cup that is velvety smooth and rich. No wild notes. No fruitiness. No bitterness. Just smooth rich chocolaty coffee goodness. Welcome to our - Smooth Blend. A coffee created for the lovers of Latin American coffee beans. Experience a velvety smooth richness that is unmatched. Nuance of brown sugar, chocolate, and a hint of salted caramel. The nutty depth allows it to blend nicely with cream and sugar if desired. This particular blend can handle almost any roast level from very light to very dark but the smoothest taste is found at the medium roast level. Good for regular drip or percolator brewing. It makes for an easy drinker good to sip all day long - a smooth blend.
