dark chocolate | cocoa nibs | toasted nuts

The classic Java Mocha taste that is naturally occurring in this special blend is the genuine taste of Java Mocha as it should be. The coffee extraction smells amazing but the first taste is a memorable experience. Where deep gratifying notes of dark chocolate and fresh roasted cocoa nibs dominate the cup while nuance of toasted nuts and caramel add richness and depth to the cup. This blend is great with or without syrups. It is equally at home at medium roast, full city roast, or espresso roast, so take it where you want it. The darker roasts will bring more body and a stronger taste to the cup. Unleash the natural Java Mocha taste into your espresso creations with this classic Java blend.
