Ridge Runner - Like the old Appalachian Trail ridge runners, adventurous in heart, perseverant in nature, one together with the wild rugged high elevations of the trail now comes to you in a bag freshly roasted called - Ridge Runner. This coffee is for the adventurous wild rugged at heart. It is crafted for City Roast profile to provide an edgy 3rd wave type vibe to fine specialty grade beans from Sulawesi, Africa, Central America. Perfectly balanced in body notes with resounding earthy chocolaty notes in base tones and delicate bright fruity tones on the leading edge and in the finish. Nuances of nutmeg, dark chocolate, licorice, green apple, walnut, cranberry, and vanillae make a deeply complex cup of adventure for high elevation lovers.
