As you round the corner and spot an old friend you may hear a true heartfelt Southern style greeting like “how y’all been doin?” or “its so good to see all-y’all again!”. This is a happy place where neighbors become friends and friends share pleasantries and spin yarns while sipping fresh delicious coffee - the Signature Country Charm Blend. Like an old friend, this coffee is sure to brighten your day! The bean base for this blend is Guatemala with a couple other origins added to give it the wow factor... Its medium-high acidity sparkles while cocoa/chocolate notes are accented by a maple syrup nuance with a light fresh raspberry in finish.
