One (2-pound bag) premium fresh roasted coffee.

- 1). You choose your single-origin coffee beans
- 2). You choose whole bean or desired grind

We choose the roast. No custom roast levels. Most beans will be around the medium roast, but some may be lighter roast or darker roast depending on the bean and our roast-master's pick for best taste.

Discount pricing. Our One-Roast-Special is roasted on the large drum roasters at our choice of roast so you get discount pricing on specialty coffee beans.

Freshly roasted daily as the orders come in.
