Our Crema Queen blend is an exceptional crafted espresso that we often hear is “fit for royalty.” The thick rich crema it produces and the unique earthy chocolaty taste is what sets it apart in the world of espresso. The natural cherry taste in the finish is what literally puts “the cherry on top” of this beautiful espresso coffee blend. The thick rich crema during extraction is what earned the name “Crema Queen”. Another feature of this coffee is it was formulated with beans containing higher natural caffeine content which makes for a great energizing coffee drink experience. All this without bitterness, the espresso shot is richly flavored yet velvety smooth, sure to please. Taste the “queen of espresso” with a rich velvety crema.
