Lakeshore Breezes - Aahhh life on the lake! Fresh breezes floating in off the water refreshing and delightful. Water gently lapping the shoreline what could be better? Our Lakeshore Breezes coffee encapsulates this good life. Easy going, cheerful, pleasant, light and refreshing, a coffee designed for relaxing on the beach, or sipping in the office. Wherever life takes you today this coffee is sure to make the day a little better! With nuance of fresh lemonade, peach, caramel, black tea, and cooked apple. The cup tastes clean and bright, refreshing. Comprised mostly from Central American beans for that classic milk chocolaty taste profile. Roasted to medium roast to develop sweetness, clarity, and rich body notes. As delightful as Lakeshore Breezes.
