dark chocolate | toffee bar | cherry

A nostalgic log cabin nestled comfortably amongst the snowy trees, with smoke curling lazily from the chimney, a couple rocking chairs on the porch are covered with snow while inside the cozy glow of a blazing wood fire sends out its welcoming rays warming the room as fresh hot coffee percolates. Then a friend beckons you to pull up a chair and help yourself. As you settle in and begin sipping the freshly brewed coffee you notice the rich old timey character that reminds you of happiness enjoyed in times past. Another sip as the dark choocoalty taste envelops your taste buds in satisfaction. There is a caramelized toffee nuance with a bit of spice that finishes with a touch of smokiness and candied cherry. The coffee and atmosphere are addicting...
