Our Brazil Legender Especial is a premium coffee that comes from some of the best farms in Brazil. It is naturally endowed with a more vibrant taste profile than most standard Brazilian coffee beans. Exhibiting rich fudgy milk chocolate body notes and nuances of black cherry, red apple, and brown sugar. The vanilla aroma and overall nutty character gives the cup a warm cozy glow. This coffee is excellent on its own, but it also pairs perfectly with cream and sugar, or sweet syrups. It roasts well and is equally tasty as a light roast, medium roast or dark roast so just take your pick. Best for brewing as drip, aeropress, or espresso. A perfect blender coffee used to add depth of flavor to other coffee beans bringing nuttiness and body.
