Brazil Peaberry is a unique special coffee that is like no other coffee. It possess that famous Brazilian chocolaty nuttiness and full bodied mouthfeel but it also adds something very special. A genuine natural hazelnut taste that is sought after by those “in the know”. The intense cocoa aroma comes first, followed by a rich dark chocolaty nutty goodness, then the hazelnut nuance kicks in and makes itself known, blending so well it makes you wonder how could it be so naturally delicious without any flavor additives. This choice coffee that goes well in the morning, at lunch, dinner, or really just anytime at all. Try it at medium roast to enjoy mellow goodness. To turn it up a bit go with full city or espresso roast
